Offers Over £250,000

An attractive and well presented 3 bedroom Modern Detached Villa which is situated within a very quiet cul-de-sac in a really nice corner of Airdrie.

The house is situated in the rarely available Monks Glen Estate which has a nice semi rural feel and is exceptionally quiet due to the limited number of houses within this particular development.

The property itself has an attractive low maintenance exterior with pleasant combination of low maintenance facing brick and a new front render exterior beneath a pitched concrete tiled roof.

There are neat well maintained gardens to both the front and the rear with the front garden comprising a level chipstone and slabbed area which provides parking for several cars. The rear garden is very private and enclosed by fencing and consists of a further low maintenance chipstone area, slabbed patio to area and drying poles.

Internally the property provides excellent family accommodation over two levels and extends around 1000 square feet which makes us a great size family home.

The kitchen is finished with beech floor and wall storage units in an L-shaped arrangement with ample top surface area, free standing cooker, integrated stainless steel sink and a useful walk-in storage cupboard underneath the stairwell.

A further door at the rear opens to the garage, which is used as a very large and useful workshop storage area and has a window to the rear and a door directly to the garden.
